

# SPACE EXPLORERS

---

Do you have what it takes to be an astronaut?

## Activity 1 - Six Nations Spelling Bee

Get a family member to challenge you on our Six Nations Spelling Bee!  
How many tries and conversions can you score?

## Did you know?

Tim Peake was the first British astronaut to visit the International Space Station.

A big rugby fan, Tim wore an England jersey in space for the 2016 Six Nations England v Scotland game. In total, the jersey spent 185 days in space and travelled a total distance of more than 114 million km! This jersey is now in the World Rugby Museum's collection.

## Activity 2 - Mission Universe

Create a mobile of all the planets. Put the names of each planet on the back.  
Try to show the difference between smaller and bigger planets!

## Activity 3 - Rocket Man

Pick a space-themed song e.g. 'Walking On The Moon' by The Police.

Can you learn the first two verses? Record it and become a popstar!

#### Activity 4 - Greetings from Space

You've been in space for 30 days. Can you write a letter home to your family telling them what you are doing and what you're missing from home?

#### Activity 5 - Alien Mask

Create an alien mask using a paper plate, string and paints. Don't forget to punch some holes in the plate for eyes!

# SIX NATIONS SPELLING BEE

---

Learn the spellings and meanings of the words on the next page.

Read each word, write it without looking, and check!

Once you feel confident, get a family member to test you. Start with words from the Try column. If you get the spelling right, score 5 points. If you don't, move on.

If you get a spelling correct, you can attempt a word from the Conversion column to score an extra 2 points!

By the end of the week, can you score the maximum 35 points?

## BONUS ROUND!

Can you put every new word learnt into a complete sentence?

## Try (5 points)

Venus

Mars

Earth

Greetings

Explore

## Conversion (2 points)

Rocket

Alien

Missing

Space

Planet

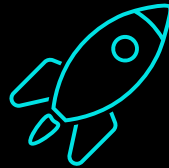

# MOBILE - THE PLANETS

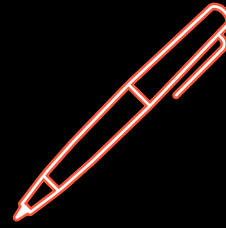

---

To make your mobile, all you need is a couple of strong twigs/sticks, some string, and paper.

# GREETINGS FROM SPACE

You've been in space for 30 days. Can you write a letter home to your family?

Think about:

- ❖ What you can see?
- ❖ What you are doing?
- ❖ What you are missing from home (e.g. family, friends, food!)?
- ❖ What you are doing to stay fit and healthy?
