

CONTINUING TO KEEP YOUR EVENTS SAFE

KEEPING YOUR EVENTS SAFE

It has always been our priority to look after our guest and staff's wellbeing with the utmost care. In today's times we know that there are further precautionary measures that need to be taken both to protect and offer peace of mind. That is why we offer the highest of standards at the stadium which are constantly reviewed and updated, and we are happy to work with you on your own bespoke requirements.

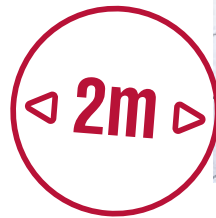

CLEANING AND HYGIENE

- Hand sanitiser will be available at each touch point
- Wipe stations can be made available for guests to wipe down phones, laptops etc. if requested
- An enhanced cleaning schedule will be implemented throughout the stadium
- Air handling will be increased considerably within all areas of the venue
- We are partnered with LSS facilities management, who are committed to providing cleaning services to an exceptional level
- We are proud of our 5 star food rating and our kitchen will continue to exercise increased levels of hygiene practices

PEOPLE MOVEMENT

- Your coordination team will work with you on arrival timings and points to allow for an easy flow of guests

OUR STAFF

- Training will be undertaken by all of our staff on additional hygiene measures
- Appropriate Personal Protective Equipment (PPE) will be provided to all of our staff until further notice

TECHNOLOGY

- Our stadium benefits from a 1GB bearer with live back up, which allows us to support hybrid events to the highest standard
- Our onsite AV specialists Encore Global are on hand to help our clients find new solutions to support hybrid events
- We have designed ready to go hybrid packages to help planning that little bit easier
